Under close guidance
and supervision of Ex-IITians

KT is an endeavour to help students of Class VIII, IX & X for concept building and developing fundamentals. In order to succeed in the competitive world, it is necessary to have strong conceptual base. KT believes that by helping in this manner, students will be in full control as they face real challenge after class XII. We have very limited seats and, currently, the admission is purely on First Come First Served (FCFS) basis.

Our Performance in CBSE (class 10)

The performance of students in CBSE Class 10 examination has been excellent since the inception of Kushbiz Tutorials. The teachers at KT have been making all efforts to ensure that the students get concept in a very easy manner and dispel fear about Physics, Chemistry and Mathematics papers. The passed out students have given very positive feedbacks that have encouraged our faculties to work harder. The feedbacks of such students can be viewed at <http://tutorials.kushbiz.com>.

Aims

The aims of KT are-

- ◆ To pay personal attention to all the students
- ◆ To develop concepts to enable the students to solve problems
- ◆ To conduct tests to assess the knowledge and skill levels of the students
- ◆ To guide the students

In order to ensure personal attention, batches will be limited to 25 students.

Eligibility

Students enrolled in private and government schools in the respective classes are eligible for admission. In the prescribed form, the details about current enrollment must be provided.

Admission Procedure

Students seeking admission must apply in the prescribed form. The form is available on payment of Rs.10/- in cash. Admission is granted on FCFS (First Come First Served) basis.

Fees are payable on monthly basis in advance for normal classes and as full advance for package courses. Fees will be payable by cash only.

The number of sessions for normal class will be 6 per week. The payment must be received by the 25th day of the preceding month otherwise students will not be allowed to attend the classes. This is subject to change. Any change shall be intimated to the students and the same shall be binding without any exception.

The fee structure for courses run in a condensed form is different. The entire amount shall be payable as advance for condensed courses.

Class Timings

*Normally, classes will be held from Monday through Saturday during evenings. **Special batches for class 9 and class 10 will also be held during morning hours for students who cannot attend during evening hours.***

Classes will not be held on the days declared as holidays under the Negotiable Instruments Act. There may be exceptions to this in case there is urgent need to meet the requirements of a course or the needs of students.

Session for our first batch starts from Monday, April 1, '13.
